

MEMBERSHIP APPLICATION FOR HAST STUDENTS

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions obtain, verify and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. For HAST students, the following is also required:

- **A copy of the student's Social Security Card and School ID** for a savings account only.
 - **A copy of the parent's driver's license and the student's Social Security Card and School ID** for a joint savings and/or checking account. The parent will be a joint owner on the account. All previous accounts in the parent's name will be verified through ChexSystems and must be in good standing, including all joint owners.
1. Please complete all applicable sections of the application at right.
 2. Return this completed application form along with copies of the above IDs and a check or cash in the amount of \$5.00 (or more) payable to AFFCU.
